

## **Statement of Commitment to the [FX Global Code](#)**

The Hongkong and Shanghai Banking Corporation Limited, Mauritius and HSBC Bank (Mauritius) Limited have reviewed the [FX Global Code](#) ("The code") and are committed to conducting their FX Market activities in a manner consistent with the principles of the Code.

The Code is a common set of guidelines that promote a robust, fair, liquid, open and transparent market underpinned by high ethical standards. More information about the code can be found on [FX Global Code](#)
